

## Ordering photos from S. Carter Action Images

All ordering from S. Carter Action Images ([www.scarteractionimages.com](http://www.scarteractionimages.com)) is completed through this website. There are different methods to order photos depending on how you are viewing the photos.

*If you are in the “mosaic” view...*

If this is how you are viewing photos, to add a photo to your cart to order, hover your mouse over the photo you would like to purchase. A “Buy” button will appear in the lower right hand corner of that photo. Once you select the “Buy” button, a new screen will appear where you can select the product you want.

Once you have made any changes here, click the “**Add to Cart**” button to add the selected photo/product to the cart. You can then continue shopping.

*If you are in “single photo view”, such as this....*

Just click the product you would like to order from the featured products list in the lower right. Once you do this, you will progress to a screen which allows you to change the quantity or select a paper type for photos such as what is shown above. Once you have made any changes here, click the **“Add to Cart”** button to add the selected photo/product to the cart. You can then continue shopping.

**To check out** – To check out, simply click the **“Cart”** link in the upper right hand corner.

You will progress to a screen which allows you to change the quantity, paper type, and to crop if needed. To crop, click the link to the right of where **“Cropping”** is shown.

You will progress to a new screen where you can drag the corners of the photo to crop the picture. But pay attention to the red lines! Anything outside of this red line may be cut from the print.

To move the crop box, click and hold your mouse button inside the red line area to move the crop lines.

\*\*\*If you do not crop your photos, I may during the proofing and order approval process.

Once you have cropped your photos, click the “**Check out Now**” button to proceed.

You will progress to a screen where you can register for an account. This allows you to see your order history, save your shopping cart and favorites, and checkout faster in the future. If you already established an account, you can sign in here. Or you can check out as a guest and not register for an account.

The screenshot shows a dark-themed 'Register or Login' form. It is divided into two main sections by a vertical line. The left section is titled 'Register and Checkout' and contains a sub-header 'Register for a free account to access your order history, save your Shopping Cart and favorites, and checkout faster in the future.' Below this are four input fields: 'Full Name', 'Email', 'Password (at least 6 characters)', and 'Verify Password'. At the bottom of this section is an orange 'Continue' button followed by the text 'or Checkout as Guest'. The right section is titled 'Already Registered?' and contains two input fields: 'Email' and 'Password'. Below the password field is a link that says 'Forgot your password?'. At the bottom of this section is an orange 'Login' button.
